All references to the International Tennis Federation or ITF in these Regulations shall mean ITF Limited. These Regulations shall be applicable to all Futures Tournaments known as the ITF Men's Circuit.

Each player entrant in an ITF Men's Circuit tournament agrees as a condition of such entry to abide by and be subject to these Regulations which hereinafter include the Code of Conduct as amended from time to time by the ITF Board of Directors.

Any sanctioning National Association and/or where applicable the Tournament Organiser (jointly the "Applicant") awarded a one (1) year sanction on the ITF Men's Circuit Calendar shall be subject to, and shall be bound by and comply with the ITF Rules of Tennis, all of the applicable provisions of the ITF Men's Circuit Regulations, the ITF Pro Circuit Organisational Requirements and the Guide to Recommended Health Care Standards documents, each of which may be amended from time to time.

The ITF reserves the right to refuse approval of or cancel any previously sanctioned tournament or series of tournaments for reasons of health, safety, security or any other potential threat to any persons attending the tournament(s) or to the successful running of the tournament(s), without any liability on behalf of the Applicant, National Association, Tournament Organiser or the ITF (for the avoidance of doubt, the ITF, the Applicant, National Association and/or the Tournament/Host Organiser will not be liable to any Players or any other persons or entities for any costs that they might have incurred in relation to such cancelled Competitions, including, without limitation, any transport and/or accommodation costs). This decision will be made on behalf of the ITF by the ITF Men's Circuit Committee, and may be appealed to the Independent Tribunal.

B. Related Regulations

The ITF Rules of Tennis shall apply in all ITF Men's Circuit tournament matches.

To the extent not covered herein The Constitution of ITF Limited 2018 and the 2018 ITF Duties and Procedures for Officials shall be applicable to all Futures Tournaments. 1. Open Competition / No Discrimination

Futures Tournaments are open to all male (please refer to Appendix B) tennis players based on merit and without discrimination subject only to the conditions herein set forth and provided, however, that minors under the age of fourteen (14) shall not be eligible for entry. 3. Play-Down (for Singles only)

Players ranked 1-100 in singles twenty-one (21) days prior to the Monday of the tournament week are prohibited from entering, accepting a Wild Card and/or competing in any Futures Tournament.

Players ranked 101-150 in singles twenty-one (21) days prior to the Monday of the tournament week are prohibited from entering a Futures Tournament but may receive a Wild Card into the Main Draw of a Futures Tournament offering \$15,000+H, \$25,000 or \$25,000+H in on-site prize money that is approved by the ITF Men's Circuit Committee in order to compete in a Futures Tournament.

It is recommended that all reasonable off-court treatment is provided free of charge to players.

ALL players (i.e. ranked, national ranked, unranked), subject only to Age Eligibility and Play Down provisions of these Regulations, may enter ITF Men's Circuit Tournaments by the Entry Deadline and will appear on the tournament Acceptance Lists.

Unless specified otherwise, this section V. applies for both Singles Main Draw and Qualifying.

A. Entry

A player applying for entry shall be deemed to apply for entry into the Main Draw or the Qualifying depending on his ranking by the applicable System of Merit.

A player may apply for entry into up to six (6) Futures Tournaments in a specific tournament week, in which case he must indicate a priority. If no priority is stated, the ITF will assign a priority. A player may not apply for entry into a Futures Tournament if he is committed to another tournament during that period.

Notwithstanding any other provision of these Regulations, the ITF has the absolute right to refuse to accept any player's entry to any ITF Pro Circuit tournament(s). The ITF may exercise that right as it sees fit, with or without providing reasons.

B. Entry and Withdrawal Procedures

All entries and withdrawals must be submitted online through the IPIN Online Service or in writing on the Official Entry or Withdrawal Form and sent to the ITF by fax or post, to be received before the appropriate deadline.

<u>Time</u>	<u>Format</u>	<u>Sent using</u>	<u>Submitted to</u>
<u>Before the Withdrawal Deadline</u>	<u>IPIN online service</u>	<u>Online</u>	<u>ITF</u>
	<u>In exceptional circumstances only - Official Withdrawal Form</u>	<u>Post or fax</u>	<u>ITF</u>
<u>After the Withdrawal Deadline but before the Freeze Deadline</u>	<u>IPIN online service</u>	<u>Online</u>	<u>ITF</u>
	<u>In exceptional circumstances only -</u>	<u>Post or fax</u>	<u>ITF</u>

	<u>Official Withdrawal Form</u>

The Withdrawal Deadline is at 14:00 hours GMT on the Tuesday thirteen (13) days prior to the Monday of the tournament week.

In exceptional circumstances the ITF can extend the deadlines in which case players will be notified.

It is the player's responsibility to make all entries and withdrawals and to check his position on the Acceptance Lists.

D. **At and after the Withdrawal Deadline:**

If a player has been accepted into an ATP World Tour Main Draw, ATP World Tour Qualifying event or a Challenger Main Draw, he will be immediately withdrawn from the Entry Lists of all ITF Men's Circuit Tournaments.

If a player has not been accepted into any ATP World Tour or Challenger tournament but is accepted into the Main Draw or Qualifying Draw of one ITF Men's Circuit tournament, he will be immediately withdrawn from the Entry Lists of all other tournaments, including ATP World Tour and Challengers Alternate Lists.

If a player is accepted into the Main Draw or Qualifying of more than one ITF Men's Circuit tournament occurring during the same period, he will remain on one List and will be immediately withdrawn from the Entry Lists of all other Tournaments (including ATP World Tour and Challenger Alternates Lists), according to the following criteria:

1. Main Draw takes priority over Qualifying, and Qualifying over Alternates
2. Tournament Entry Priority

If a player's chosen priorities are unclear, he will be immediately withdrawn from all but one Entry List by the ITF at the Withdrawal Deadline, according to the following criteria:

1. Tournaments offering the highest prize money will take priority, or if equal;
2. The Entry List on which he is highest placed will take priority, or if equal;
3. The tournament which is geographically closest to his country of Nationality will take priority.

A player who appears on a Main Draw or Qualifying Acceptance List at any time after the Withdrawal Deadline is deemed to have been accepted into and is committed to play the tournament. Prior to the Withdrawal Deadline a player's status on an Acceptance List is not confirmed.

No player may withdraw his entry from the Main Draw or Qualifying of a Futures tournament for any reason after the Withdrawal Deadline. Any such withdrawal will be considered a late withdrawal and will be subject to the Late Withdrawal/No Show provisions set forth in Article II. B.1 of the Code of Conduct, unless the provisions set forth in Article II. B.2 of the Code of Conduct and/or Section V.F. Playing Another Event / One Tournament Per week apply.

Any player accepted into the Main Draw or Qualifying who fails to appear for the Tournament without notifying the ITF, and ITF Supervisor if after the Freeze Deadline, of his withdrawal and submitting his official withdrawal shall be subject to the penalties provided for No Show.

If a player is not accepted into any ITF Men's Circuit tournament in a given week, he may remain on more than one Entry List as an Alternate until the Freeze Deadline. A player who appears on one or more Alternate List(s) is not committed to play in any of these tournaments and may withdraw at any time, without penalty, until he moves into a Qualifying or Main Draw Acceptance List, at which time he will be automatically withdrawn from all other Acceptance Lists by the ITF.

E. Freeze Deadline

The Freeze Deadline is at 14:00 hours GMT on the Thursday preceding the tournament week.

After the Freeze Deadline players on the Qualifying Acceptance List will no longer be moved into the Main Draw, and players on one or more Alternate Lists will no longer be moved into a Qualifying Acceptance List. Such Alternates are not committed to play the tournament.

A player who wishes to withdraw from the Main Draw or Qualifying after the Freeze Deadline must submit an official withdrawal to both the ITF and ITF Supervisor else he will be subject to the penalties provided for No Show.

F. Playing Another Event / One Tournament Per Week

1. General

When a player is accepted into the Qualifying or Main Draw of a tournament as Direct Acceptance, Special Exempt or Wild Card at any time after the Withdrawal Deadline he is committed to that tournament unless released by the ITF or ITF Supervisor.

A player who is committed to and/or has played in the Main Draw or Qualifying of an ITF Men's Circuit tournament may not enter or compete in any other tennis event during the period of such tournament except as stated in Article II. B.3 of the Code of Conduct.

2. Grand Slam Tournaments and Multi-Week ATP World Tour Tournaments

a. Participation during Qualifying and/or First Weeks

A player is allowed to play in two Professional tournaments (one of which must be a Grand Slam Tournament or multi-week ATP World Tour Tournament) during this two-week period, provided the player has been eliminated from singles and doubles of the first tournament prior to the Qualifying Sign-in Deadline of the second tournament.

Once a player has competed in two such tournaments, where appropriate he must withdraw from any ITF Men's Circuit tournament in the week following the Qualifying.

b. Participation during Second Week

A player is allowed to play in an ITF Men's Circuit tournament during the second week of a Grand Slam Tournament or multi-week ATP World Tour tournament provided he has been eliminated from the singles and doubles of that tournament prior to the ITF Men's Circuit tournament Qualifying Sign-in Deadline. Any such player who is still competing in the Grand Slam Tournament or multi-week ATP World Tour tournament at this deadline must withdraw from the relevant ITF Men's Circuit tournament.

A player is not allowed to withdraw from a Grand Slam Tournament or multi-week ATP World Tour tournament to play the ITF Men's Circuit tournament.

G. Special Exempts

A player qualified to and who wishes to apply for Special Exempt status must do so by personally notifying the ITF Supervisor, either verbally or in writing, prior to the Qualifying Sign-in Deadline.

A "Qualified Tournament" is defined as follows:

- \$15,000 and \$15,000+H Tournaments: the singles event of another Futures or ATP Challenger Tournament within the same continent in the preceding week.
- \$25,000 and \$25,000+H Tournaments: the singles event of another \$25,000 Futures or ATP Challenger Tournament within the same continent in the preceding week.

Special Exempt status shall not be available for players competing in the Doubles event of the previous week.

If there are not sufficient Special Exempt places in the Main Draw for all the applicants, the players shall be selected in accordance with their rankings on Monday, seven (7) days before the tournament week, or a player's Protected Ranking if used to enter the Tournament.

A player still competing at a Qualified Tournament at the time of the Qualifying Sign-in deadline can request a Special Exempt place (as above) however he must notify the ITF Supervisor of the result of his match no later than one (1) hour following the completion of the match. If after the completion of the match the player is not eligible for the Special Exempt status, the Special Exempt place will be filled either by another player who applied for Special Exempt status or in accordance with section V.I. Vacancies/Substitutions below.

Unsuccessful applicants will not be penalised under the Late Withdrawal/ No Show provisions of the Code of Conduct.

If there is no Qualifying competition, or if Special Exempts are not needed prior to the time of the Qualifying Sign-in Deadline, then the places in the Main Draw reserved for Special Exempts shall become places for Direct Acceptances.

If prior to the Entry Deadline it is established that there will be no Special Exempts into a Futures Tournament because there are no "Qualified Tournaments" in the week preceding the Tournament, then the places reserved in the Main Draw for Special Exempts shall become places for Direct Acceptances and will be indicated as such on the Acceptance List.

H. Sign-In

1. Main Draw Sign-In

There will be no sign-in requirement for players accepted directly into the Main Draw.

Except as otherwise stated herein, players who fail to sign-in shall not be included in the Qualifying Draw.

B. WILD CARDS

Wild Cards may be seeded and for singles must be named by the Wednesday before the tournament starts, except in the case of \$60,000, \$80,000 and \$100,000 tournaments, for which two Wild Cards may be named at the time the Draw is made, subject to the restrictions of the Age Eligibility Rule (see Appendix C).

The names, nationalities and dates of birth of the Wild Cards (and any replacement Wild Cards) must be sent to the appropriate Service Bureau immediately upon nomination. National Associations should confirm with players their availability to take a Wild Card prior to sending nominations to the Service Bureau or, if appropriate, the ITF Supervisor. Players and tournaments should retain written confirmation of the offer and acceptance of a Wild Card. Players and tournaments may not offer and/or receive any compensation for receiving or awarding a wild card. Acceptance of the offer of a Wild Card constitutes player's commitment to the tournament.

A player who is committed by way of entry or Wild Card to a tournament may only accept the offer of a Wild Card into another tournament in the same week as stated in Article III, B.3 of the Code of Conduct.

An entered player who is nominated to receive a Wild Card into the tournament will continue to be eligible, up to the start of the Qualifying competition, to compete in the tournament as a Direct Acceptance or to fill any Qualifying or Main Draw vacancies that arise, in accordance with the System of Merit and Sign-in procedures set forth herein. Any such players or Qualifying or Main Draw Wild Cards that move into the draw on merit will have their Wild Card nominations automatically withdrawn and replacement Wild Cards may be nominated up until the time the appropriate draw is made.

If a player has been accepted into the Main Draw of a Tournament using her Special Ranking, she may not accept a Wild Card into the same event. However, a player accepted into the Qualifying of a Tournament using her Special Ranking may accept a Wild Card into the Main Draw up until the time of the Qualifying Sign-in Deadline.

Wild Cards who withdraw or move into the draw on merit may not be replaced with new Wild Cards after the appropriate Draw is made. Any such vacancies shall be filled in accordance with Section V.I. Vacancies/Substitutions.

No player who has signed in for and been accepted into the Qualifying of the tournament may be named as a Wild Card after the Qualifying Competition has commenced.

Please refer to Appendix C for Wild Card restrictions as applicable under the Age Eligibility Rule. Players who are **not** subject to the Age Eligibility Rule may receive during a calendar year a maximum number of:

2. six (6) wild cards into Doubles events of the ITF Women's Circuit tournaments, with a maximum of three (3) of these allowed in the Main Draw.

Each tournament in which a player earns ranking points (singles and/or doubles) counts towards a player's number of tournaments under the Wild Card Rule. However, participation in the Draws of tournaments in which a player does not earn ranking points does not constitute competition in an ITF Women's Circuit tournament under this rule.

VII. SYSTEMS OF MERIT

Players who wish to enter a tournament with a Special Ranking must contact the WTA at least one week prior to the Entry Deadline requesting confirmation is sent to the ITF. When two or more players are tied, the actual ranking supersedes the Special Ranking for acceptance purposes.

The following shall be used as the basis for acceptances:

A. SINGLES SYSTEM OF MERIT

1. Method A

Entered players with an approved Singles Computer Ranking shall be selected in accordance with their positions on the approved Computer Ranking list available on the Entry Deadline and dated twenty-one (21) days prior to the Monday of the tournament week.

2. Method B

Entered players without an approved Singles Computer Ranking but with a current top 500 National Ranking will be drawn at the ITF Office at the Entry Deadline.

These players will be sorted into groups of the same nationalities and ranked within those groups. Ties between players within those groups will be randomly drawn.

Each country represented will be allocated the same number of draw chips as the number of players from that country. Each time a chip is drawn the highest ranked player from the country represented by that chip shall be selected.

Thereafter, all remaining entered players who are unranked and have no National Ranking shall be randomly drawn for a position on the Qualifying/Alternate List.

3. Method C

On-site Alternates with an approved Singles Computer Ranking who have signed in for Qualifying shall be selected in accordance with the Computer Rankings, on Monday, seven (7) days before the tournament week.

4. Method D

On-site Alternates without a Computer Ranking who have signed in for Qualifying shall be selected on the basis of their current top 500 National Rankings.

Players will be sorted into groups of the same nationalities and ranked within those groups. Ties between players within those groups will be randomly drawn.

Each country represented will be allocated the same number of draw chips as the number of players from that country unless there are more players from a particular country than places available in a draw. In that case, the number of chips allocated to that country shall be limited to the number of places available in the draw and any extra players are dropped from consideration. Each time a chip is drawn the highest ranked player from the country represented by that chip shall be selected.

Further places will be filled by unranked players randomly drawn.

5. Ties

Ties on players' computer rankings will be decided by a random draw.

6. National Rankings

All National Rankings must be submitted to the ITF by the National Association at least seven (7) days before the Entry Deadline if they are to be used for acceptance purposes for a given tournament week. Players without a National Ranking, or an approved Singles Computer Ranking, will be considered unranked for that Tournament.

If a National Association produces an updated National Ranking during the year, the National Association may send quarterly updates to the ITF.

B. DOUBLES SYSTEM OF MERIT

The ranking list of Monday seven (7) days before the tournament week shall be used.

1. Method A

Including players with Special Rankings confirmed by WTA. The order will be by combined Doubles ranking. Ties will be decided by the team with the greatest combined total points and then randomly drawn.

2. Method B

Including players with Special Rankings confirmed by WTA. National Ranking will not be considered. Order will be according to Doubles ranking of the ranked player. Ties will be decided by a random draw.

3. Method C

National Ranking will not be considered. Ties will be randomly drawn.

 - A member of a doubles team did not cause any of the misconduct code violations that resulted in the team being defaulted.
3. A singles player withdrawing after the first round, or who retires, will receive loser’s computer points and prize money for the round in which she retired or withdrew.
4. If a singles player withdraws from the semifinal or final their prize money is calculated per the round they withdrew less 50% of the difference between that round and the previous round. Such 50% shall be retained by the tournament.
5. If a player withdraws from the singles final, and the Tournament Director so desires, a substitute player will play a best of 3 set exhibition match against the Tournament winner. The substitute player will receive all the money defaulted.
6. For a doubles team that withdraws after the first round, the non-withdrawing player will receive loser’s computer points and prize money for the round reached but the withdrawing player will receive loser’s computer points and prize money for the previous round reached. In addition, the player withdrawing will not be allowed to play in any other ITF Pro Circuit tennis event until Monday of the next tournament week (unless she is still playing in singles).
7. A player or team who receives a walkover as a result of the opponent’s withdrawal, default or no show shall receive prize money and points that the player or team would have received for winning the match only if they have previously played and won a match.
8. If a player or team receives one (1) or more consecutive byes and loses her/their first match played, the player or team will only receive ranking points from the round preceding their elimination and the player or team shall receive prize money for the round reached.
9. If a player or team receives one (1) or more consecutive byes and withdraws from her/their first match, no ranking points shall be awarded, the tournament will not count on her/their record and no prize money shall be paid out.

XIII. WTA COMPUTER RANKINGS

A. INTRODUCTION

The WTA Rankings is the worldwide computer ranking for Women's Professional Tennis. The Ranking System is a 52-week, cumulative system in which the number of tournament results that comprise a player's ranking is capped at sixteen (16) tournament results for singles and eleven (11) tournament results for doubles. The results used to determine the players' ranking are the tournaments that have yielded the players' highest ranking points over the past fifty-two (52) weeks including their ranking points from any mandatory tournament and the WTA Championships plus the best two (2) Premier 5 Tournament results for Top 10 players. The rankings determine player acceptance and seeding for all tournaments.

Rankings are computed and published weekly by the WTA from its U.S. Headquarters in St. Petersburg, Florida. Note: ITF Women's Circuit Tournaments with prize money of \$25,000 or less are processed a minimum of one (1) week following the conclusion of the Tournament.

For the purposes of awarding Ranking Points, in all ITF Tournaments with prize money of \$60,000 or greater, the round of 32 will be considered to be the first round of Qualifying and all Rules will apply as if that were the first round of play. In these ITF Tournaments, the WTA will only award Round Points in Qualifying starting in the Round of 32 and play in any round prior to the round of 32 will not be considered as having taken place for ranking purposes.

For a complete statement of the official rules and regulations regarding WTA computer rankings, refer to the WTA Official Rule Book.

C. \$15,000 / \$25,000 / \$60,000 / \$80,000 / \$100,000 PLUS HOSPITALITY

Tournaments with \$15,000, \$25,000, \$60,000, \$80,000 or \$100,000 in prize money which offer hospitality will receive increased WTA ranking points.

Hospitality is defined as one complimentary room for the use of each player accepted into the singles and doubles Main Draws (single or double occupancy, to be decided by the tournament). Rooms are to be available to each singles player for a minimum of four (4) nights beginning no earlier than the day prior to the start of Main Draw and no later than the day the Main Draw starts. Accommodation continues through to include the night that she plays her last match or until her four (4) night minimum has been provided, whichever is later. Hospitality must be of the same standard for singles and doubles players.

Rooms for doubles players must be available beginning the day of the sign in for a minimum of two (2) nights. Accommodation continues through to include the night of the player's last match or until the two (2) nights minimum has been provided.

Successful Qualifiers must be afforded the same accommodations as Main Draw players. Nights spent in accommodation during Qualifying shall count towards the minimum number of nights to which Main Draw players are entitled.

Players receive appropriate points on the Computer for the last 3 rounds of Qualifying and the Main Draw and credit for one tournament played.

D. GENERAL RULES

Singles and Doubles Rankings - Players are ranked on the basis of their total points.

Processing of Rankings – WTA tournaments (Premier Mandatory through International) plus ITF \$100,000, \$80,000 and \$60,000 tournaments (as long

as completed by the Sunday of that week) are processed on a weekly basis. ITF \$15,000 and \$25,000 tournaments are processed a minimum of one (1) week following the completion of the Tournament. Points stay valid for fifty-two (52) weeks from the week in which a Tournament is included in the Ranking Totals.

Eligibility - Players must have earned ranking points in at least 3 valid tournaments, or a minimum of 10 singles ranking points or 10 doubles ranking points in one or more valid tournaments, in order to appear on the rankings. Players under the age of fourteen (14) cannot obtain a computer ranking. If a player under the age of fourteen (14) plays singles or doubles in a Tournament, that Tournament and the points acquired during play will not be counted for ranking purposes for that player. If a player plays singles or doubles in a Tournament that exceeds the number permitted to be played under the Age Eligibility Rule, that Tournament and the points acquired during play will not be counted for ranking purposes for that player.

Grand Slam Development Fund

Administered by the International Tennis Federation

The Grand Slam Development Fund was established in 1985 by the International Tennis Federation from contributions donated by the Grand Slam tournaments to provide assistance to affiliated National Tennis Associations with the development of competitive tennis. Since then over US\$96 million has been invested in tennis development worldwide. The Grand Slam Development Fund is designed to help increase competitive opportunities worldwide by encouraging the establishment of tournament circuits, which will provide opportunities for a greater number of players to compete internationally, and, through touring teams and travel grants, to assist players to gain international competitive experience so that more nations will be represented in the mainstream of international competition.

Only Member Nations eligible for assistance from ITF (who are part of the ITF Development Programme) may apply to the ITF for grants from the Grand Slam Development Fund. Applications must be submitted by National Associations in writing on the appropriate form (which is available upon request from the ITF London office).

National Associations benefiting from the Grand Slam Development Fund are required to publicise their event as being “supported by the Grand Slam Development Fund”.

Applications for assistance may be made for a contribution towards the prize money at \$15,000 and \$25,000 ITF Men’s and Women’s Circuit tournaments.

All events must be organised in accordance with the ITF Men’s and/or Women’s Circuit Regulations and sanctioned by the National and/or Regional Association concerned.

APPENDIX F

MEDICAL, EXTREME WEATHER CONDITIONS AND TOILET/CHANGE OF ATTIRE BREAKS

MEDICAL

a. Medical Condition

A medical condition is a medical illness or a musculoskeletal injury that warrants medical evaluation and/or medical treatment by the Sports Physiotherapist (*as defined in the ITF Guide to Recommended Healthcare Standards*) during the warm-up or the match.

Treatable Medical Conditions

- i. Acute medical condition: the sudden development of a medical illness or musculoskeletal injury during the warm-up or the match that requires immediate medical attention.
- ii. Non-acute medical condition: a medical illness or musculoskeletal injury that develops or is aggravated during the warm-up or the match and requires medical attention at the changeover or set break.

Non-Treatable Medical Conditions

- i. Any medical condition that cannot be treated appropriately, or that will not be improved by available medical treatment within the time allowed.
- ii. Any medical condition (inclusive of symptoms) that has not developed or has not been aggravated during the warm-up or the match.
- iii. General player fatigue.
- iv. Any medical condition requiring injections or intravenous infusions, except for diabetes, for which prior medical certification has been obtained, and for which subcutaneous injections of insulin may be administered.
- v. Any medical condition requiring oxygen, unless prior medical approval has been given by the ITF. Except as permitted by this provision, the use of supplemental oxygen is not permitted at any time, for any reason.

b. Medical Evaluation

During the warm-up or the match, the player may request through the Chair Umpire for the Sports Physiotherapist to evaluate him/her during the next change over or set break. Only in the case that a player develops an acute medical condition that necessitates an immediate stop in play may the player request through the Chair Umpire for the Sports Physiotherapist to evaluate him/her immediately.

The purpose of the medical evaluation is to determine if the player has developed a treatable medical condition and, if so, to determine when medical treatment is warranted. Such evaluation should be performed within a reasonable length of time, balancing player safety on the one hand, and continuous play on the other. At the discretion of the Sports Physiotherapist, such evaluation may be performed in conjunction with the Tournament Doctor, and may be performed off-court.

If the Sports Physiotherapist determines that the player has a non-treatable medical condition, then the player will be advised that no medical treatment will be allowed.

c. Medical Time-Out

A Medical Time-Out is allowed by the ITF Supervisor or Chair Umpire when the Sports Physiotherapist has evaluated the player and has determined that additional time for medical treatment is required. The Medical Time-Out takes place during a change over or set break, unless the Sports Physiotherapist determines that the player has developed an acute medical condition that requires immediate medical treatment.

The Medical Time-Out begins when the Sports Physiotherapist is ready to start treatment. At the discretion of the Sports Physiotherapist, treatment during a Medical Time-Out may take place off-court, and may proceed in conjunction with the Tournament Doctor.

The Medical Time-Out is limited to three (3) minutes of treatment. However, at professional events with prize money of \$25,000 or less, the ITF Supervisor may extend the time allowed for treatment if necessary.

A player is allowed one (1) Medical Time-Out for each distinct treatable medical condition. All clinical manifestations of heat illness shall be considered as one (1) treatable medical condition. All treatable musculoskeletal injuries that manifest as part of a kinetic chain continuum shall be considered as one (1) treatable medical condition.

Muscle Cramping: A player may receive treatment for muscle cramping only during the time allotted for change of ends and/or set breaks. Players may not receive a Medical Time-Out for muscle cramping.

In cases where there is doubt about whether the player suffers from an acute medical condition, non-acute medical condition inclusive of muscle cramping, or non-treatable medical condition, the decision of the Sports Physiotherapist in conjunction with the Tournament Doctor, if appropriate, is final. If the Sports Physiotherapist believes that the player has heat illness, and if muscle cramping is one of the manifestations of heat illness, then the muscle cramping may only

be treated as part of the recommended treatment by the Sports Physiotherapist for the heat illness condition.

Note:

A player who has stopped play by claiming an acute medical condition, but is determined by the Sports Physiotherapist and/or Tournament Doctor to have muscle cramping, shall be ordered by the Chair Umpire to resume play immediately.

If the player cannot continue playing due to severe muscle cramping, as determined by the Sports Physiotherapist and/or Tournament Doctor, he/she may forfeit the point(s)/game(s) needed to get to a change of ends or set-break in order to receive treatment. There may be a total of two (2) full change of ends or set-break treatments for muscle cramping in a match, not necessarily consecutive.

If it is determined by the Chair Umpire or ITF Supervisor that gamesmanship was involved, then a Code Violation for Unsportsmanlike Conduct could be issued.

A total of two (2) consecutive Medical Time-Outs may be allowed by the Supervisor or Chair Umpire for the special circumstance in which the Sports Physiotherapist determines that the player has developed at least two (2) distinct acute and treatable medical conditions. This may include: a medical illness in conjunction with a musculoskeletal injury; two or more acute and distinct musculoskeletal injuries. In such cases, the Sports Physiotherapist will perform a medical evaluation for the two or more treatable medical conditions during a single evaluation, and may then determine that two consecutive Medical Time-Outs are required.

d. Medical Treatment

A player may receive on-court medical treatment and/or supplies from the Sports Physiotherapist and/or Tournament Doctor during any changeover or set break. As a guideline, such medical treatment should be limited to two (2) changeovers/set breaks for each treatable medical condition, before or after a Medical Time-Out, and need not be consecutive. Players may not receive medical treatment for non-treatable medical conditions.

e. Penalty

After completion of a Medical Time-Out or medical treatment, any delay in resumption of play shall be penalised by Code Violations for Delay of Game.

Any player abuse of this Medical Rule will be subject to penalty in accordance with the Unsportsmanlike Conduct section of the Code of Conduct.

f. Bleeding

If a player is bleeding, the Chair Umpire must stop play as soon as possible, and the Sports Physiotherapist must be called to the court by the Chair Umpire for evaluation and treatment. The Sports Physiotherapist, in conjunction with the

Tournament Doctor if appropriate, will evaluate the source of the bleeding, and will request a Medical Time-Out for treatment if necessary.

If requested by the Sports Physiotherapist and/or Tournament Doctor, the ITF Supervisor or Chair Umpire may allow up to a total of five (5) minutes to assure control of the bleeding.

If blood has spilled onto the court or its immediate vicinity, play must not resume until the blood spill has been cleaned appropriately.

g. Vomiting

If a player is vomiting, the Chair Umpire must stop play if vomiting has spilled onto the court, or if the player requests medical evaluation. If the player requests medical evaluation, then the Sports Physiotherapist must determine if the player has a treatable medical condition, and if so, whether the medical condition is acute or non-acute.

If vomiting has spilled onto the court, play must not resume until the vomit spill has been cleaned appropriately.

h. Incapacity

If any concern arises about a player's medical condition (whether physical or psychological) that they are unable to compete, or they pose a serious health risk to players, officials or tournament organisers or staff, the Sports Physiotherapist and/or Tournament Doctor should be called to assist the player.

If the issue arises during a match, the Chair Umpire shall immediately call for the Tournament Doctor and/or Sports Physiotherapist to assist the player.

The Tournament Doctor is responsible for ensuring that the player is afforded the best medical attention, that his/her well-being is not put at risk, and that his/her medical condition is not a risk to other players or the public at large. All discussions between the Tournament Doctor and the player take place within the context of a doctor-patient relationship and are therefore confidential and may not be divulged to a third party without the informed consent of the player. However, if the Tournament Doctor determines that the player's medical condition makes the player unable to participate safely in the tournament, the player must permit the Tournament Doctor to advise the ITF Supervisor/Referee of their determination (only disclosing medical information to which the player has consented). Upon receipt of such a report from the Tournament Doctor, the ITF Supervisor will decide whether to retire the player from the match in progress or withdraw the player from the match to be played (as applicable). The Supervisor shall use great discretion before taking this action, and should base the decision on the best interests of professional tennis, as well as taking all medical opinion and advice, and any other relevant information into consideration.

If the player's medical condition improves sufficiently to return to match play, the Tournament Doctor may inform the ITF Supervisor accordingly. At the discretion of the ITF Supervisor, the player may subsequently compete in another event at the same tournament (e.g. doubles), either that day or on a subsequent day.

It is recognized that national laws or governmental or other binding Regulations imposed upon the tournament by authorities outside its control may require more compulsory participation by the Tournament Doctor in all decisions regarding diagnosis and treatment.

TOILET/CHANGE OF ATTIRE BREAKS

Any reference in this section to "Change of Attire Break" is applicable to the ITF Women's Circuit only.

A player is allowed to request permission to leave the court for a reasonable time for a toilet break / change of attire break. Toilet breaks should be taken on a set break and can be used for no other purpose. Change of attire breaks must be taken on a set break.

In Men's singles events a player is entitled to one (1) toilet break during a best of three (3) set match. In Women's singles events, a player is entitled to two (2) breaks during a match.

In all doubles matches, each team is entitled to a total of two (2) breaks. If partners leave the court together, it counts as one (1) of the team's authorised breaks.

Any time a player leaves the court for a toilet break/change of attire break, it is considered one (1) of the authorised breaks regardless of whether or not the opponent has left the court. Any toilet break taken after a warm-up has started is considered one (1) of the authorised breaks.

Additional breaks will be authorised but will be penalised in accordance with the Point Penalty Schedule if the player is not ready to play within the allowed time.

Any player abuse of this rule will be subject to penalty in accordance with the Unsportsmanlike Conduct section of the Code of Conduct.

b. Measurement Procedure

The WBGT or Heat Index should be measured at least three (3) times daily by the ITF Supervisor or his/her designee. Ideally, measurements should be taken every 2 hours, but a minimum three (3) readings should be taken at the following times:

1. 30 minutes before match play begins;
2. Middle of the scheduled day's play; and
3. Just prior to beginning the last match of the day, or just prior to the start of the first evening session match.

The WBGT or Heat Index should also be measured under the following circumstances:

1. Following any suspension of play; and
2. At the discretion of the ITF Supervisor, in consultation with the Tournament Doctor and/or Sports Physiotherapist.

Details on the measurement of WBGT and Heat Index are provided in the current edition of the *ITF Guide to Recommended Health Care Standards for Tennis Tournaments*.

c. Extreme Heat Condition: Modification of Play

When the Extreme Heat Condition: Modification of Play criterion is met before the start or resumption of a match, the procedures set out below in sub-section (d) should be followed. For the avoidance of doubt, the ITF Supervisor has the discretion to apply the procedures set out in sub-section (d) at a WBGT or Heat Index below the Extreme Heat Condition: Modification of Play criterion, if in his or her opinion it is required in the safety and wellbeing of players, officials, spectators or others.

If there is a change in weather conditions and the Extreme Heat Condition: Modification of Play criterion is met while a match is in progress, as determined by the periodic monitoring set out above in sub-section (b), the procedures set out below in sub-section (d) should be followed on all courts, including matches already in progress. Once notified that the Extreme Weather Condition: Modification of Play criterion is met, the Chair Umpire must inform the players at the next change of ends or set break.

If there is a change in weather conditions and the Extreme Heat Condition: Modification of Play criterion is no longer met, as determined by the periodic monitoring set out above in sub-section (b), those matches already in progress should continue to follow the procedures set out below in sub-section (d) until they are completed or suspended.

d. Modification of Play Procedures (Singles and Doubles)

A 10-minute break will be allowed between the second and third sets (in a best of 3 sets match) if one or more of the players requests such a break. If neither/none of the players requests such a break, then play will continue.

However, if a match has already resumed following the suspension of play and one set was completed before the suspension of play (in a best of 3 sets match), the 10-minute break will no longer be available, unless otherwise decided by the ITF Supervisor.

The ITF Supervisor, in consultation with the Tournament Doctor/Sports Physiotherapist, may choose to delay the starting time for matches until such a time as the Extreme Heat Condition: Modification of Play criterion is no longer met.

i. During the 10-minute break:

a. No coaching is allowed.

b. A Medical Evaluation, Medical Time-Out or Medical Treatment is not allowed, unless approved by the ITF Supervisor. This would normally be restricted to requests for the Tournament Doctor/Sports Physiotherapist that are made on-court to the Chair Umpire, or were already agreed before the end of the second set (in a best of 3 sets match). However, a player is allowed to receive an adjustment of medical support, medical equipment and/or medical advice from the Tournament Doctor/Sports Physiotherapist during the 10-minute break.

ii. Immediately following the 10-minute break:

- a. Any delay in resumption of play will subject a player to Time Violations (Warning, Point Penalties only apply).
- b. No re-warm up is allowed.
- c. A player is not allowed to receive a Medical Evaluation, Medical Time-Out or Medical Treatment, unless approved by the ITF Supervisor.

iii. Consecutive Breaks

An Extreme Weather Condition: Modification of Play 10-minute break and a Bathroom/Change of Attire break cannot be taken consecutively.

e. Extreme Heat Condition: Suspension of Play (Singles and Doubles)

When the Extreme Heat Condition: Suspension of Play criterion is met before the start or resumption of a match, the start or resumption of play should be suspended until Extreme Heat Condition: Suspension of Play criterion is no longer met. If a game is in progress when the Extreme Heat Condition: Suspension of Play criterion is met, play should be suspended at the end of that game. Once the Extreme Heat Condition: Suspension of Play criterion is no longer met, the ITF Supervisor should give the players reasonable notice of the time at which play will resume. For the avoidance of doubt, the ITF Supervisor has the discretion to suspend play at a WBGT or Heat Index below the Extreme Heat Condition: Suspension of Play criterion, if in his or her opinion it is required in the safety and wellbeing of players, officials, spectators or others.

f. Lightning

The ITF Supervisor or his/her designee is responsible for monitoring the local weather for lightning. The ITF Supervisor has the authority to suspend play when a thunderstorm appears imminent (for instance if lightning is sighted and thunder occurs in 30 seconds or less). Everyone on-site should be advised to seek appropriate shelter immediately. Play should not resume until the likelihood of a lightning strike has passed (as a guideline, at least 30 minutes after the last lightning strike is seen and the last sound of thunder is heard). Additional information on thunderstorms and lightning is provided in the *ITF Guide to Recommended Health Care Standards for Tennis Tournaments*.

APPENDIX G

MEDIA, COMMERCIAL AND DATA RIGHTS

The ITF Men's Circuit and ITF Women's Circuit ("ITF Pro Circuit") are sanctioned and governed by ITF Ltd ("ITF").

The individual tennis tournaments ("the Tournaments") which comprise the ITF Pro Circuit are organised and staged by the National Tennis Association of the country where the Tournament is held ("National Association") and/or by promoters/organisers approved by the applicable National Association. 2. MEDIA RIGHTS

Each National Association shall retain and have the exclusive right to exploit the Media Rights in respect of its Own Tournaments and retain all revenues thereby generated.

As part of their retained Media Rights, the National Associations may carry out and/or authorise Live Streaming and/or other exhibitions of Coverage of their Own Tournaments. Each such National Association will not, during the Initial Period and/or the Extended Period, allow any such Coverage through Live Streaming to be transmitted or made available by means of the Internet Rights or Mobile Rights with a less than 30 second delay between the action taking place at the Tournament and the Live Streaming being available to viewers unless a shorter delay period is agreed otherwise with ITF in writing on a case by case basis. For the avoidance of doubt National Associations will not be required to delay exhibitions made by means of the Television Rights.

ITF shall have the exclusive right to exploit the Media Rights in respect of any Cross Border Group of Tournaments. Such exploitation is subject to agreement by each of the relevant National Associations. Upon expiry or termination of any agreement entered into by ITF for the exploitation of such rights, ITF may not renew or replace such agreement without the further agreement of each relevant National Association. ITF shall be free to propose such collective arrangements to each of the National Associations and each National Association may accept or reject such proposals at their discretion.

During the Initial Period and/or the Extended Period, ITF shall be exclusively entitled to seek licensees for the right to transmit or make available Live Streaming of the relevant National Association's Own Tournaments for use in connection with the provision of betting and gaming services.

Each National Association shall retain the right to produce and/or appoint a third party to access its Own Tournaments in order to produce Coverage thereof. Where ITF has concluded any Media Rights arrangement in respect of a Cross Border Group (which will include without limitation any such arrangement for Live Streaming for betting and gaming purposes), and provided that a National Association is producing Coverage to exploit Media Rights in respect of any of its Own Tournaments, the respective National Association shall ensure that the producer of the Coverage, whether a broadcaster, production company or other entity, makes the Coverage available to ITF and/or ITF's licensees, as a Live Signal (if available) at the venue of the relevant Tournament(s) (or other agreed point) and use reasonable efforts to procure that access to the Live Signal is free of charge, subject to payment for transmission of the production feed (uplink and downlink) and/or in the form of tape delay subject to payment of reasonable tape costs.

If a National Association is not producing and has not appointed a third party to produce Coverage in respect of any of its Own Tournaments where ITF has concluded a Media Rights arrangement in respect of such Tournament as part of a Cross Border Group (which will include without limitation any such arrangement for Live Streaming for betting and gaming purposes), ITF shall be responsible for producing and/or appointing a third party to access the relevant Tournaments in order to produce Coverage to the extent required for any Media Rights arrangement in respect of such Cross Border Group. In such case, the relevant National

Association shall procure reasonable access to the Tournament venues and existing facilities (e.g. parking) for ITF's broadcaster, production company or other entity free of charge save for reimbursement of reasonable, directly attributable and incremental costs incurred by the relevant National Association and any of its Own Tournaments. ITF shall ensure that the producer of the Coverage, whether a broadcaster, production company or other entity, makes the Coverage available to the relevant National Association, as a Live Signal (if available) at the venue of the relevant Tournament(s) (or other agreed point) and use reasonable efforts to procure that access to the Live Signal is free of charge, subject to payment for transmission of the production feed (uplink and downlink) and/or in the form of tape delay subject to payment of reasonable tape costs.

In the case of any Media Rights exploited by the ITF 20 per cent of Net Revenue will be retained by ITF and 80 per cent of Net Revenue will be shared by National Associations which participate in ITF exploitation of such Media Rights according to a formula determined by ITF in consultation with the Media and Commercial Rights Working Group.

3. COMMERCIAL RIGHTS

Each National Association shall retain and have the exclusive right to exploit the Commercial Rights in respect of its Own Tournaments and retain all revenues thereby generated.

ITF shall have the exclusive right to exploit the Circuit Sponsor Rights in respect of any Cross Border Group of Tournaments or the overall ITF Pro Circuit. Such exploitation is subject to agreement by each of the relevant National Associations whose respective Own Tournaments will be subject to any Circuit Sponsor Rights. Upon expiry or termination of any agreement entered into by ITF for the exploitation of such rights, ITF may not renew or replace such agreement without the further agreement of each relevant National Association. ITF shall be free to propose such collective arrangements to each National Association and each National Association may accept or reject such proposals at their discretion.

In the case of Circuit Sponsor Rights exploited by the ITF, 20 per cent of Net Revenue will be retained by ITF and 80 per cent of Net Revenue will be shared by National Associations which participate in activating such Circuit Sponsor Rights according to a formula determined by ITF in consultation with the Media and Commercial Rights Working Group.

For the avoidance of doubt no sponsorship will be permitted either as part of the Commercial Rights or as Circuit Sponsor Rights to any entity in respect of tobacco products, hard liquor products, betting companies, political activity or other category deemed to be detrimental to the sport of tennis, as reasonably determined by ITF in consultation with the applicable National Associations. It is permitted to appoint casinos or national, regional or state sports lotteries as part of the above rights (with

the prior approval of the ITF) provided they do not offer tennis betting as part of their business activity.

4. DATA RIGHTS

The National Associations and ITF recognised the potential value of collaborating closely in the development and exploitation of Live Scoring Rights. Accordingly the National Associations and ITF have agreed that during the period, covering the Initial Period and the extended Period, expiring at the end of the Extended Period unless extended on the same or a modified basis thereafter by further agreement (following good faith discussions) by each National Association and ITF:

- i. Subject to clause (iii) below, the ITF shall have the exclusive right to exploit and/or to authorise third parties to exploit the Live Scoring Rights during the Initial Period and/or Extended Period with respect to all Tournaments and will keep the National Associations informed about such exploitation.
- ii. The ITF will have the non-exclusive right to exploit the Non-Live Data Rights during the Initial Period and/or Extended Period and will keep the National Associations informed about such exploitation.
- iii. The National Associations will retain all rights not expressly granted to the ITF during the Initial Period and/or Extended Period that relate to their Own Tournaments including, without limitation, with respect to the Live Scoring Rights and the Non-Live Data Rights. Notwithstanding the grant to ITF in clause (i), the National Associations shall retain the right to exhibit:
 - a. Live Scoring Rights on on-court scoreboards and other areas located within the respective venues; and
 - b. Live Scoring Rights on exhibitions made by means of the Television Rights of their own Tournaments to which such Live Scoring Rights relate.

Following expiry of the Extended Period if the arrangement is not agreed to be extended and/or renewed all Live Scoring Rights and Non-Live Data Rights which derive from the ownership and/or control of each of the Tournaments shall remain vested in the respective National Association.

Any and all revenue generated from the exploitation of the Live Scoring Rights and Non-Live Data Rights by ITF during the Initial Period and/or Extended Period after recoupment by ITF from such revenues of all reasonable direct and incremental costs it incurs in relation to such exploitation (such costs to be periodically reviewed with the ITF Pro Circuit Media, Commercial & Data Rights Working Group) shall be divided:

- a. 20 per cent to ITF; and

- b. 80 per cent to be shared by National Associations according to a formula determined by ITF in consultation with the Media and Commercial Rights Working Group.

The National Associations and Tournaments shall co-operate with the ITF during the Initial Period and/or Extended Period in relation to:

- any system or scheme that the ITF implements for the collection, supply and/or licensing (in each case by the ITF itself or via an appointed 3rd party) of Live Scoring Rights and Non-Live Data Rights at Tournaments;
- any reasonable measures that the ITF takes to protect the value of the Live Scoring Rights including without limitation to prevent the unauthorised collection and exploitation of the Live Scoring Rights relating to Tournaments during the Delay Period. Such measures may include the implementation and enforcement of ticket conditions, accreditation terms and access to venue agreements and shall be developed in consultation with the ITF Pro Circuit Media, Commercial & Data Rights Working Group.

ITF shall make available to the National Associations free of charge any Official Data collected by ITF for use by the National Associations consistent with this rule.

ITF and the National Associations shall at all times co-operate with and comply with the requirements of the Tennis Integrity Unit.

APPENDIX H

PLAYER ANALYSIS TECHNOLOGY (“PAT”) DATA RIGHTS

1. Definition

“PAT Data” shall mean player performance analysis data and/or other data or information collected by and/or with the co-operation of the player and/or analysis derived therefrom during a match in any Pro Circuit tournament (“Tournament”) by means of any system of Player Analysis Technology that is approved by ITF for use in that Tournament.

2. PAT Data exploitation

ITF has, subject to the Rules of Tennis, agreed that players using approved PAT systems may collect, collate, assemble and store PAT Data from games and matches played in a Tournament subject to the following conditions:

- i. During a match, coaches and players and any technology providers or service operators involved in the collection, collation and/or analysis of PAT Data shall only use such PAT Data for internal analysis and coaching purposes of the respective player and/or team and such use shall be strictly subject to Rule 30 of the Rules of Tennis.
- ii. Each coach and player shall and undertakes to procure that any technology provider or service operator involved in the collection, collation and/or analysis of PAT Data at any time shall:
 - a. Not publish, use or otherwise exploit any PAT Data or supply any PAT Data or analysis derived therefrom to third parties for any purposes other than as described in (i) above or that have otherwise been pre-approved in writing by ITF and shall take such steps as ITF may reasonably require to prevent any unauthorised access to and/or use of such PAT Data. In particular, but without limitation, no PAT Data or analysis or product derived therefrom shall be used or supplied to any third party for any purpose related to betting and/or gambling;
 - b. Ensure that ITF shall be able to access free of charge any and all such PAT Data live and/or delayed at the venue of the match and/or such other point as may be agreed and ITF shall be free to use such PAT Data and authorise third parties to use such PAT Data for any purposes.
- iii. In the event that such PAT Data is accessed by unauthorised third parties and/or ITF reasonably believes that PAT Data and/or PAT equipment and/or services are being used for any purposes in breach of these regulations ITF shall be entitled to rescind its approval and coaches and players will immediately cease use of the PAT system pending resolution.

CODE OF CONDUCT ITF PRO CIRCUIT 2018

Please note that where the rules apply to the ITF Women's Circuit Regulations only, the text is in Italics

ARTICLE I: GENERAL

References in this Code of Conduct ("Code") to the "ITF Executive Director" shall hereafter mean the ITF Executive Director of Professional Tennis.

References in this Code to the "Committee" shall hereafter mean the ITF Women's Circuit Committee in the case of ITF Women's Circuit Tournaments and the ITF Men's Circuit Committee in the case of ITF Men's Circuit Futures Tournaments.

A. PURPOSE

The International Tennis Federation promulgates this Code of Conduct ("Code") in order to maintain fair and reasonable standards of conduct by players, Related Persons and the organisers of ITF Pro Circuit Tournaments and to protect their respective rights, the rights of the public and the integrity of the Sport of Tennis. All references to the International Tennis Federation or the ITF shall mean the ITF Limited.

B. EXCLUSIVE APPLICABILITY

This 2018 ITF Pro Circuit Code of Conduct shall be the exclusive basis for disciplinary action against any player, Related Person or tournament in ITF sanctioned Pro Circuit Tournaments, except to the extent that disciplinary jurisdiction is established in relation to such Tournaments under (i) the Tennis Anti-Doping Programme; (ii) the Anti-Corruption Program; and/or (iii) the ITF Welfare Policy.

C. FINES

All monetary fines set forth in the Code are in US Dollars.

A player who has accumulated \$500 or more in unpaid fines for violations of this Code of Conduct shall not be allowed to enter and play in any ITF tournament until such time as all fines have been paid.

A player who has outstanding fines at the end of the calendar year shall not be allowed to enter any ITF Pro Circuit Tournaments until such time as all fines have been paid.

D. ITF SUPERVISOR

The approved ITF Supervisor for each ITF Pro Circuit Tournament shall be the final authority for the interpretation of these Tournament Regulations, Code of Conduct and the Rules of Tennis as to all matters arising that require immediate resolution at the tournament site.

ARTICLE II: MEN'S ENTRY OFFENCES**A. APPLICABILITY**

This Article shall only apply to ITF Men's Circuit Futures Tournaments.

B. ENTRY OFFENCES**1. Late Withdrawal / No Show**

Any withdrawal from a player accepted into the Main Draw or Qualifying that occurs after the Withdrawal Deadline shall be considered a late withdrawal and will be penalised, except in the below circumstances:

- a) a player who is on the Qualifying Acceptance List but who is still playing in another ITF Men's Circuit or ATP tournament at the time of the Qualifying sign-in deadline, provided the player withdraws before the Qualifying sign-in closes;
- b) a player who is on the Qualifying Acceptance List but who is still playing in another "qualified" ITF Men's Circuit or ATP tournament and who applies for a Special Exempt position, but where such Special Exempt position is not available for the player;
- c) a player who qualifies for entry or receives a Wild Card into the Qualifying or Main Draw of a Grand Slam tournament, provided the player withdraws before the Qualifying sign-in deadline;
- d) a player who is nominated to represent his country in an ITF Team Competition, provided the player withdraws before the Qualifying sign-in deadline.
- e) The provisions of **Article II, Rule B.3, Playing Another Event / One Tournament per Week** apply.

Players who have been subject to Automatic Withdrawals will not be fined.

A player's first three (3) late withdrawal offences within a calendar year are automatically excused* and the fines cancelled, provided the withdrawal is

received by the ITF (and by the ITF Supervisor, if submitted after the Freeze Deadline) prior to the Qualifying Sign-in Deadline.

(*an excused withdrawal is valid for two consecutive tournament weeks provided the player withdraws as above).

A player will have committed a No Show Offence if:

- a) He is accepted into the Qualifying and fails to sign in by the Qualifying Sign-In Deadline; or
- b) He is accepted into the Main Draw and fails to arrive on-site for his first match in the tournament. The Supervisor may waive the No Show Offence for a player who arrives on-site after the scheduled commencement time for his first match, and penalise him for the On-Site Offence of Punctuality instead.

Violation of this Section shall subject a player to a fine up to \$500.

In circumstances that are flagrant and particularly injurious to the success of the ITF Futures Tournament, or are singularly egregious, a single violation of this Section shall also constitute the Major Offence of “Aggravated Behaviour”.

2. On-Site Medical Withdrawal

- a. If a player is forced to retire or withdraw during a tournament for medical reasons, the ITF Medical Certification form must be completed by the medically qualified physician on-site verifying that the player is unfit to continue playing in the current tournament. Violation of this section shall subject a player to a fine of up to \$500.
- b. A valid ITF Medical Certification form will excuse a late withdrawal penalty for any subsequent tournament until the player next competes in any tennis event, provided that a withdrawal form for each tournament is submitted prior to the relevant Qualifying Sign-in Deadline.
- c. A player who withdraws from a tournament after the Qualifying Sign-in Deadline will be excused a late withdrawal penalty provided:
 - i. the player is still competing in the previous week’s tournament at or after the time of the Qualifying Sign-In Deadline, is thereafter forced to withdraw/retire, is examined by that tournament’s physician and is determined to be unfit to compete at the following week’s tournament; or
 - ii. the player is on-site at the tournament from which the player will withdraw when the withdrawal occurs and is determined to be unfit to compete by the tournament’s physician.

For the purpose of this rule, the player must withdraw before the start of his first match and the ITF Medical Certification form must be completed and submitted to the ITF no later than the last day of the tournament.

3. Playing Another Event / One Tournament Per Week

- a. No player who has entered and been accepted into the Qualifying or Main Draw of an ITF Futures tournament shall play in any other tennis event during the period of such tournament except as stated below.

Participation by a committed player in an alternative tournament is permitted in the following specific circumstances and provided an official withdrawal for the tournament he was originally committed to, has been submitted prior to its Qualifying Sign-in deadline (see section V. C. Entry and Withdrawal Deadlines and E. Freeze Deadline in the Men's Circuit Regulations):

- i. A player is nominated to represent his country in an ITF Team competition;
 - ii. A player qualifies for entry or is nominated to receive a Wild Card into the Qualifying or Main Draw of a Grand Slam tournament;
 - iii. A player accepted into Qualifying of a Futures Tournament is nominated to receive a Wild Card into the Main Draw of another Professional tournament;
 - iv. A player accepted into Qualifying of a Futures Tournament is nominated to receive a Wild Card into the Qualifying of another Professional tournament in a higher prize money category;
 - v. A player is forced to withdraw from a Qualifying event because he is still committed in a previous week's tournament but is not eligible to apply for, or has been unsuccessful in applying for, a Special Exempt place.
 - vi. A player may enter the doubles event of any tournament.
- b. Participation by a player who has played in Qualifying or Main Draw of an ITF Men's Circuit Tournament in an additional tournament during the same week is only permitted in the following specific circumstances:
- i. A player is allowed to play singles Qualifying of one Professional tournament and doubles in another tournament played the same week, provided the player has played and been eliminated from one tournament prior to the doubles entry deadline in the other tournament. A player may not participate in both tournaments at the same time.
 - ii. A player who played in the Qualifying of a Futures tournament is allowed to accept a Wild Card into the Main Draw of an ITF Junior tournament during the same week provided he lost in the tournament prior to being offered the Wild Card.

- iii. A player is nominated to represent his country in an ITF Team competition, provided the player has already lost in the ITF Pro Circuit tournament prior to being nominated.
- iv. A player is allowed to participate in an "Other" Tournament (see section II.B. Categories of Tournaments in the Men's Circuit Regulations) during the same week, provided he:
 - a) notifies the ITF Supervisor of his intention to do so before his first match in the Futures tournament; and
 - b) has played and been eliminated from the Futures tournament; and
 - c) is released by the ITF Supervisor after his last match in the Futures tournament to play in the "Other" Tournament.

A player who was a No-Show or who withdrew or retired from either singles or doubles main draw in any round may not participate in singles or doubles in any "Other" tournament during the same week.

Players found to have been accepted into two Tournaments in one week after the Withdrawal Deadline should not be allowed into any Tournament. Players found to have competed in another Tournament or in two Tournaments in one week other than stated above shall be immediately defaulted and shall forfeit all prize money and computer points (where applicable).

Violation of this section shall result in a fine up to \$1,000 in addition to any other fines provided in the Code.

In circumstances that are flagrant and particularly injurious to the success of the tournament, or are singularly egregious, a single violation of this Section shall also constitute the Major Offence of "Aggravated Behaviour".

C. WILD CARDS

No player, directly or indirectly, shall offer, give, solicit, receive or accept, or agree to offer, give, solicit, receive or accept anything of value in exchange for a Wild Card. Violation of this section by a player shall result in a fine of up to \$5,000.

Players shall at all times conduct themselves in a sportsmanlike manner and give due regard to the authority of officials and the rights of opponents, spectators and others. Violation of this Section shall subject a player to a fine up to \$500 for each violation. In addition, if such violation occurs during a match (including the warm-up), the player shall be penalised in accordance with the Point Penalty Schedule below. In circumstances that are flagrant and particularly injurious to the success of a tournament, or are singularly egregious, a single violation of this Section shall also constitute the Major Offence of "Aggravated Behaviour" and shall be subject to the additional penalties below.

For the purposes of this Rule, unsportsmanlike conduct is defined as any misconduct by a player that is clearly abusive or detrimental to the Competition, the ITF or the sport of tennis. In addition, unsportsmanlike conduct shall include, but not be limited to, the giving, making, issuing, authorising or endorsing any public statement having, or designed to have, an effect prejudicial or detrimental to the best interests of the tournament and/or the officiating thereof.

M. BEST EFFORTS (BE)

A player shall use his best efforts to win a match when competing in an ITF Pro Circuit Tournament. Violation of this section shall subject a player to a fine up to \$500 for each violation.

For purposes of this Rule, the ITF Supervisor and/or the Chair Umpire shall have the authority to penalise a player in accordance with the Point Penalty Schedule. In circumstances that are flagrant and particularly injurious to the success of a tournament, or are singularly egregious, a single violation of this Section shall also constitute the Major Offence of “Aggravated Behaviour” and shall be subject to the additional penalties below.

N. LEAVING THE COURT (LC)

A player shall not leave the court area during a match (including the warm-up) without the permission of the Chair Umpire. Violation of this Section shall subject a player to a fine up to \$250 for each violation. In addition the player may be defaulted and subjected to the additional penalties for Failure to Complete Match as below.

O. FAILURE TO COMPLETE MATCH OR TOURNAMENT (FCM)

A player must complete a match in progress, and complete the tournament, unless he/she is reasonably unable to do so. Violation of this Section shall subject a player to a fine up to \$250. In addition a violation of this Section shall subject a player to immediate default and shall also constitute the Major Offence of “Aggravated Behaviour” and shall be subject to the additional penalties below.

P. CEREMONIES (Cer)

A player participating in the finals of an ITF Pro Circuit Tournament must attend and participate in the final ceremonies after the match unless he/she is reasonably unable to do so. Violation of this Section shall subject a player to a fine up to \$250.

Q. MEDIA CONFERENCE (MC)

Unless injured and physically unable to appear, a player or team must attend the post-match media conference(s) organised immediately or within thirty (30) minutes after the conclusion of each match whether the player or team was the winner or loser,

unless such time is extended or otherwise modified by the ITF Supervisor for good cause. Violation of this Section shall subject a player to a fine up to \$250.

R. POINT PENALTY SCHEDULE

The Point Penalty Schedule to be used for violations set forth above is as follows:

FIRST offence	WARNING
SECOND offence	POINT PENALTY
THIRD and each subsequent offence	GAME PENALTY

However, after the third Code Violation, the ITF Supervisor shall determine whether each subsequent offence shall constitute a default.

The imposition of a penalty under the Point Penalty Schedule shall be final and unappealable.

S. DEFAULTS

The ITF Supervisor may declare a default for either a single violation of this Code (Immediate Default) or pursuant to the Point Penalty Schedule set out above. In all cases of default, the decision of the ITF Supervisor shall be final and unappealable.

Subject to the exceptions specified below, any player who is defaulted shall be subject to the following penalties:

- a) loss of all prize money, hospitality and points earned for that event at that tournament, and
- b) a fine of up to \$250 in addition to any or all other fines levied with respect to the offending incident, and
- c) at the Supervisor's discretion, default from all other events, if any, at that tournament.

The exceptions to the additional penalties set out above are:

- a. the player or team was defaulted for a violation of the Punctuality or Dress and Equipment provisions set forth in Article IV. B and C, or
- b. the player or team was defaulted as a result of a medical condition, or
- c. the player's doubles partner committed the Code Violation which caused the default.

Default of a player from the remainder of the tournament may include at the ITF Supervisor's discretion the removal of accreditation and denial of access to the site.

T. DOUBLES EVENTS

1. Warnings/Point Penalties/Game Penalties/Defaults

Warnings, Point Penalties, Game Penalties and/or a default if assessed for violation of the Code shall be assessed against the team.

2. Fines

All fines for violation of Article IV of the Code shall be assessed only against the individual member of the team who is in violation unless both members of the team are in violation.

U. DETERMINATION AND PENALTY

The ITF Supervisor shall make such investigation as is reasonable to determine the facts regarding all On-Site Offences and upon determining that a violation has occurred shall specify the fine and/or other punishment therefor and give written notice thereof to the player. Notwithstanding anything contained herein to the contrary, the ITF Supervisor may, at his discretion, limit the fines levied during any tournament qualifying event to a maximum of \$100 for each violation.

V. PAYMENT OF FINES

Each ITF Pro Circuit Tournament shall deduct fines levied by the ITF Supervisor for on-site offences from the player's winnings, if any, and promptly pay the same to the ITF. Any unpaid fines shall also be collected at other ITF Pro Circuit Tournaments for remission to the ITF.

A player who has outstanding fines at the end of the calendar year shall not be allowed to enter any ITF Pro Circuit Tournaments until such time as all fines have been paid.

W. APPEALS

Any player found to have committed an On-Site Offence may, after paying all fines as provided above, appeal the determination of a violation and/or the punishment imposed under section U. above (but not any point penalties or defaults) to the ITF Internal Adjudication Panel, which shall determine the matter in accordance with its Procedural Rules (save that there shall be no right of appeal against the ITF Internal Adjudication Panel's decision). The appeal shall be made in writing and must be filed with the ITF by 5.00pm GMT within fourteen (14) days from the date the player is notified of the violation. The Notice of Appeal must include a statement by the player as to the facts and circumstances of the incident along with any other evidence the player wishes to submit.

ARTICLE V: TENNIS ANTI-CORRUPTION PROGRAM

The Tennis Anti-Corruption Program applies to the ITF Pro Circuit, and any player or other covered person (as defined in the Tennis Anti-Corruption Program) who enters or participates in the ITF Pro Circuit shall be deemed to have agreed to be bound by and to comply with all of its provisions. The Tennis Anti-Corruption Program may be downloaded at www.tennisintegrityunit.com.

ARTICLE VI: MAJOR OFFENCES

A. AGGRAVATED BEHAVIOUR

No player or Related Person at any ITF Pro Circuit Tournament shall engage in “Aggravated Behaviour” which is defined as follows:

1. One or more incidents of behaviour designated in this Code as constituting “Aggravated Behaviour”;
2. One incident of behaviour that is flagrant and particularly injurious to the success of an ITF Pro Circuit Tournament, or is singularly egregious;
3. A series of two (2) or more violations of this Code within a twelve (12) month period which singularly do not constitute “Aggravated Behaviour”, but when viewed together establish a pattern of conduct that is collectively egregious and is detrimental or injurious to the ITF Pro Circuit Tournaments.

In addition, any player or Related Person who, directly or indirectly, offers or provides or receives any money, benefit or consideration to or from any other Covered Person or third party in exchange for access and/or accreditation to the tournament site shall be deemed to have engaged in Aggravated Behaviour and be in violation of this Section.

Violation of this Section by a player, directly or indirectly through a Related Person or others, shall subject a player to a fine of up to \$5,000 or the amount of prize money won at the tournament, whichever is greater, and a maximum penalty of permanent suspension from play in any ITF tournament, event or circuit.

Violation of this Section shall subject a Related Person to a maximum penalty of permanent revocation of accreditation and denial of access to any ITF tournament, event or circuit.

B. CONDUCT CONTRARY TO THE INTEGRITY OF THE GAME

No player or Related Person shall engage in conduct contrary to the integrity of the Game of Tennis. If a player is convicted of the violation of a criminal or civil law of any country, the player may be deemed by virtue of such conviction to have engaged in conduct contrary to the integrity of the Game of Tennis and the ITF Executive Director may provisionally suspend such player from further participation in ITF Pro Circuit tournaments pending a final determination in Section C. In addition, if a player has at any time behaved in a manner severely damaging to the reputation of the sport, the player may be deemed by virtue of such behaviour to have engaged in conduct contrary to the integrity of the Game of Tennis and be in violation of this Section. Violation of this Section by a player, directly or indirectly through a Related Person or others, shall subject a player to a fine up to \$5,000 and/or to a maximum penalty of permanent suspension from play in any ITF tournament, event or circuit.

Violation of this Section shall subject a Related Person to a maximum penalty of permanent revocation of accreditation and denial of access to any ITF tournament, event or circuit.

C. DETERMINATION AND PENALTY

The ITF will investigate all facts concerning any alleged Major Offence. All Players and Related Persons must cooperate fully with such investigations. The ITF may make a written demand to a Player or Related Person (a "Demand") to furnish to the ITF any information that may evidence or lead to the discovery of evidence of a Major Offence, including (without limitation) requiring the Player or other Related Person to attend an interview and/or to provide a written statement setting forth his/her knowledge of the relevant facts and circumstances. The Player or Related Person must furnish such information within seven (7) business days of the making of such Demand, or within such other deadline as may be specified by the ITF.

Where, as the result of an investigation under this Article VI.C, the ITF forms the view that a Player or Related Person has a case to answer for commission of a Major Offence, the ITF shall refer the matter to the Review Board.

Review Board

The ITF shall identify one or more individuals who are independent of the ITF and who have the expertise required by the nature of the particular case to form the Review Board and to review the evidence to determine whether there is a case to answer. The ITF shall send the entire dossier of evidence to the Review Board member(s). Where necessary, the Review Board may request that the ITF provide additional information for the Review Board's consideration. There shall be no obligation for the Review Board to meet in person to deliberate. However, any decision by the Review Board that the Player or other Person has a case to answer must be unanimous.

Where the Review Board concludes that there is no case to answer, then the ITF shall notify the Player or Related Person and any other party with a right of appeal, and (subject to the rights of appeal) the matter shall not proceed any further.

When the Review Board determines that a Player or Related Person has a case to answer, the ITF will send a written notice to the Player or Related Person (the "Notice of Charge"), with a copy to the Chairman of the Independent Tribunal, setting out:

- (a) the Major Offence(s) alleged to have been committed, a summary of the facts upon which such allegations are based;
- (b) the potential consequences applicable if it is determined that the alleged Major Offence has been committed; and
- (c) the Player or Related Person's entitlement to respond to the Notice of Charge in one of the following ways:
 - (i) to admit the Major Offence(s) charged, and accede to the consequences specified in the Notice of Charge;
 - (ii) to admit the Major Offence(s) charged, but to dispute and/or seek to mitigate the consequences specified in the Notice of Charge, and to have the Independent Tribunal determine the consequences at a hearing; or
 - (iii) to deny the Major Offence(s) charged, and to have the Independent Tribunal determine the charge and (if the charge is upheld) any consequences, at a hearing.
- (d) if the Player or Related Person wishes to exercise his/her right to a hearing before the Independent Tribunal, he/she must submit a written request for such a hearing so that it is received by the ITF as soon as possible, but in any event within 10 days of the Player or Related Person's receipt of the Notice. The request must also state how the Player or Related Person responds to the charge in the Notice and must explain (in summary form) the basis for such response. In the event no such response is received by that deadline, the Player or Related Person will be deemed to have admitted the Major Offence(s) charged, and to have acceded to the consequences specified in the Notice of Charge.

In the event that the ITF withdraws the Notice of Charge, or the Player or Related Person admits the Major Offence(s) charged and accedes to the consequences specified by the ITF (or is deemed to have done so), a hearing before the Independent Tribunal shall not be required. Instead the ITF shall promptly issue a decision confirming (as applicable) its withdrawal of the Notice of Charge or the commission of the Major Offence(s) and the imposition of the specified consequences, and shall send a copy of the decision to the Player or Related Person.

Provisional Suspension

At the time, afterwards, or (exceptionally) before, it issues a Notice of Charge, the ITF may impose a Provisional Suspension on the Player or Related Person in question pending determination of the charge(s), where it considers it necessary to protect the integrity and/or reputation of the Competition, the ITF, and/or the sport of tennis.

Where a Provisional Suspension is imposed, the ITF shall notify the Player or Related Person of his/her right:

(a) at his/her election, to make an application to the Chairman of the Independent Tribunal convened to hear his/her case, either immediately or at any time prior to the full hearing, for an order that the Provisional Suspension should not be imposed (or, if the Provisional Suspension has been imposed, that it should be vacated). The Chairman of the Independent Tribunal, sitting alone, will rule on the application as soon as reasonably practicable; and

(b) to have the proceedings before the Independent Tribunal expedited so that the hearing is held, and the charge against him/her is determined, as soon as possible, consistent with the requirements of due process.

In circumstances where the ITF decides not to impose a Provisional Suspension, the Player or Related Person shall be offered the opportunity to accept a voluntary Provisional Suspension pending the resolution of the matter. If the Player or Related Person wishes to accept the offer (and receive credit against any period of suspension that might be imposed), the Player or Related Person must communicate his/her acceptance in writing to the ITF, in a form acceptable to the ITF.

No admission shall be inferred, or other adverse inference drawn, from the decision of a Player or Related Person (a) not to make an application to avoid (or to vacate) a Provisional Suspension, or (b) to accept a voluntary Provisional Suspension.

A Player or Related Person may not, during the period of any Provisional Suspension, play, coach or otherwise participate in any capacity in any tournament, event or circuit owned or sanctioned by the ITF.

Any period of Provisional Suspension served by the Player or Related Person (whether imposed or voluntarily accepted in writing, in a form acceptable to the ITF) shall be credited against any period of suspension imposed by the Independent Tribunal, provided that the Player or Related Person must have respected the terms of the Provisional Suspension in full. No credit against a period of suspension shall be given for any time period before the effective date of the Provisional Suspension (whether imposed or voluntarily accepted in writing, in a form acceptable to the ITF), regardless of the Player's or Related Person's status or lack of participation during such period. If a period of suspension is served pursuant to a decision that is subsequently appealed, then the Player or Related Person shall receive a credit for such period of Provisional Suspension served against any period of suspension that may ultimately be imposed on appeal.

Hearing

If the Player or Related Person charged exercises his/her right to a hearing, the matter shall be referred to the Independent Tribunal and shall be resolved in accordance with the Independent Tribunal's Procedural Rules.

D. PAYMENT OF FINES

All fines levied by the Independent Tribunal for Major Offences shall be paid by the player to the ITF within thirty (30) days after receipt of written notice thereof. If the fine is not paid in thirty (30) days:

- a) the ITF Executive Director will instruct the next ITF Pro Circuit Tournament to withhold prize money due to the player until settlement is made; and
- b) the Player's fine will be added to the Player's unpaid fines and Article I, C. shall apply.

E. COMMENCEMENT OF PENALTY

A suspension imposed on a Player for a Major Offence shall take effect from the later of the following, unless specified otherwise by the Independent Tribunal or the ITF when issuing the suspension:

- a) the date of notification by the ITF or Independent Tribunal;
- b) if the Player is participating in a Tournament on the date of notification, the day after he or she finishes competing in that Tournament.

The revocation of accreditation or denial of access to any ITF tournament, event or circuit imposed on a Related Person shall take effect immediately upon notification.

F. APPEAL

The ITF, the Player and/or the Related Person may appeal the Independent Tribunal's decision to the Court of Arbitration for Sport. The appeal proceedings shall be conducted in accordance with the CAS Code of Sports-related Arbitration, in the English language, and shall be governed by English Law.

ARTICLE VII: MEDICAL CONTROL – ANTI-DOPING POLICY

Any Player, Player Support Personnel or other Person who enters or participates in the ITF Pro Circuit shall be bound by and shall comply with all of the provisions of the ITF Tennis Anti-Doping Programme 2018.

The ITF Tennis Anti-Doping Programme 2018 is set out in full on the ITF website (www.itftennis.com/antidoping) and in a separate rulebook that is published and distributed by the ITF to all National Associations. The ITF Tennis Anti-Doping Programme 2018 is also available upon application.

ARTICLE VIII: TOURNAMENT OFFENCES

A. APPLICABILITY

This Article shall apply to each ITF Pro Circuit Tournament and any Applicant for such an event. References in this Article to a “Tournament” shall hereafter mean an ITF Tournament or applicant for such a tournament, and where applicable refers to the legal entity (personal or corporate) that is applying for, administering, operating or otherwise organising the ITF Tournament.

B. GUARANTEES

The owner(s), operator(s), sponsor(s) or agent(s) of a Tournament shall not offer, give or pay money or anything of value, nor shall such a tournament permit any other person or entity to offer, give or pay money or anything of value to a player, directly or indirectly, to influence or guarantee a player’s appearance at a Tournament other than prize money and permitted amateur expenses, unless authorised to do so by the Committee. Violation of this Section shall subject the Tournament to a fine up to \$5,000 plus the amount or value of any such payment, disqualification and loss of sanction, and/ or forfeiture of all sums, if any, previously paid to the ITF. In the event the ITF Executive Director believes that a Tournament may be violating this Section, then upon demand the Tournament must furnish or cause to be furnished to the ITF Executive Director or his agent access to and copies of all records to which it has access relating in any way to such alleged guarantee, or, in the absence of such records, an affidavit setting forth the facts in detail with respect to any transaction under question by the ITF Executive Director.

C. WILD CARDS

No Tournament, directly or indirectly, shall offer, give, solicit, receive or accept, or agree to offer, give, solicit, receive or accept anything of value in exchange for a Wild Card. Violation of this section shall subject the Tournament to a fine of up to \$5,000, and/or forfeiture of all sums, if any, previously paid to the ITF, and/or withdrawal of its sanction.

D. CONDUCT CONTRARY TO THE INTEGRITY OF THE GAME

No Tournament, or any owner, promoter or operator thereof, shall engage in conduct contrary to the integrity of the Sport.

Violation of this Section shall subject the Tournament to a fine up to \$5,000 and/or forfeiture of all sums, if any, previously paid to the ITF.

E. ITF PRO CIRCUIT RULES

No Tournament shall violate any provisions of these ITF Pro Circuit Rules. Violation of this Section shall subject the Tournament to withdrawal of sanction, a fine up to \$5,000 and/or forfeiture of all sums, if any, previously paid to the ITF.

F. LATE CANCELLATION

No Tournament shall cancel less than sixty (60) days prior to the scheduled commencement of the event.

Violation of this section shall subject the Tournament to a fine of up to \$5,000, forfeiture of all sums, if any, previously paid or due to the ITF, reimbursement of unrecoverable expenses incurred and/or denial of subsequent Applications.

G. DETERMINATION AND PENALTY

The ITF shall cause an investigation to be made of all facts concerning any alleged Tournament Offence by a Tournament and shall provide written notice of such investigation to the Tournament involved. The Tournament must cooperate fully with such investigations.

The ITF may make a written demand to a Tournament (a "Demand") to furnish to the ITF any information that may evidence or lead to the discovery of evidence of a Tournament Offence, including (without limitation) requiring the Tournament to attend an interview and/or to provide a written statement setting forth its knowledge of the relevant facts and circumstances. The Tournament must furnish such information within seven business days of the making of such Demand, or within such other deadline as may be specified by the ITF.

Where, as the result of an investigation under this Article VIII.G, the ITF forms the view that a Tournament has a case to answer for commission of a Tournament Offence, the ITF shall refer the matter to the Review Board.

Review Board

The ITF shall identify one or more individuals who are independent of the ITF and who have the expertise required by the nature of the particular case to form the Review Board and to review the evidence to determine whether there is a case to answer. The ITF shall send the entire dossier of evidence to the Review Board member(s). Where necessary, the Review Board may request that the ITF provide additional information for the Review Board's consideration. There shall be no obligation for the Review Board to meet in person to deliberate. However, any decision by the Review Board that the Tournament has a case to answer must be unanimous.

Where the Review Board concludes that there is no case to answer, then the ITF shall notify the Tournament and any other party with a right of appeal, and (subject to the rights of appeal) the matter shall not proceed any further.

When the Review Board determines that a Tournament has a case to answer, the ITF will send a written notice to the Tournament (the “Notice of Charge”), with a copy to the Chairman of the Independent Tribunal, setting out:

- (a) the Tournament Offence(s) alleged to have been committed, a summary of the facts upon which such allegations are based;
- (b) the potential consequences applicable if it is determined that the alleged Tournament Offence has been committed; and
- (c) the Tournament’s entitlement to respond to the Notice of Charge in one of the following ways:
 - (i) to admit the Tournament Offence(s) charged, and accede to the consequences specified in the Notice of Charge;
 - (ii) to admit the Tournament Offence(s) charged, but to dispute and/or seek to mitigate the consequences specified in the Notice of Charge, and to have the Independent Tribunal determine the consequences at a hearing; or
 - (iii) to deny the Tournament Offence(s) charged, and to have the Independent Tribunal determine the charge and (if the charge is upheld) any consequences, at a hearing;
- (d) if the Tournament wishes to exercise its right to a hearing before the Independent Tribunal, it must submit a written request for such a hearing so that it is received by the ITF as soon as possible, but in any event within 10 days of the Tournament's receipt of the Notice. The request must also state how the Tournament responds to the charge in the Notice and must explain (in summary form) the basis for such response. In the event no such response is received by that deadline, the Tournament will be deemed to have admitted the Tournament Offence(s) charged, and to have acceded to the consequences specified in the Notice of Charge.

In the event that the ITF withdraws the Notice of Charge, or the Tournament admits the Tournament Offence(s) charged and accedes to the consequences specified by the ITF (or is deemed to have done so), a hearing before the Independent Tribunal shall not be required. Instead the ITF shall promptly issue a decision confirming (as applicable) its withdrawal of the Notice of Charge or the commission of the Tournament Offence(s) and the imposition of the specified consequences, and shall send a copy of the decision to the tournament.

Hearing

If the tournament charged exercises its right to a hearing, the matter shall be referred to the Independent Tribunal and shall be resolved in accordance with the Independent Tribunal's Procedural Rules.

H. PAYMENT OF FINES

All fines levied by the Independent Tribunal for Tournament Offences shall be paid by the Tournament to the ITF within thirty (30) days after receipt of written notice thereof.

I. APPEALS

Any Tournament found to have committed a Tournament Offence may, after paying all fines as above provided, appeal the decision of the Independent Tribunal to the Court of Arbitration for Sport. The appeal proceedings shall be conducted in accordance with the CAS Code of Sports-related Arbitration, in the English language, and shall be governed by English Law.

ARTICLE IX: RECIPROCITY

The ITF reserves the right to ask the ITF Internal Adjudication Panel to affirm, modify or reject with respect to any or all ITF Pro Circuit tournaments, a suspension or other sanction issued against a Covered Person (as defined in Article XIII - ITF Welfare Policy) either by or on behalf of the ITF pursuant to a conduct or disciplinary process under any ITF code or policy or by any other tennis organisation including the Women's Tennis Association and Association of Tennis Professionals.

The ITF Internal Adjudication Panel shall have the right in its absolute discretion to share information concerning any complaint against a Covered Person with and/or conduct an investigation in conjunction with any other tennis organisation or any other relevant authorities. The ITF Internal Adjudication Panel may also refer the complaint and/or any information received during the course of investigating an allegation or prosecuting a charge to any authorities it considers appropriate in its absolute discretion. The ITF shall have the absolute discretion, where it deems appropriate, to stay its own investigation pending the outcome of investigations being conducted by any other tennis organisations and/or any relevant authorities.

A decision by the ITF Internal Adjudication Panel to affirm, modify or reject a suspension or other sanction issued against a Covered Person may be appealed by the Covered Person to the Independent Tribunal, which shall determine the matter in accordance with its Procedural Rules (save that there shall be no right of appeal against the Independent Tribunal's decision).

ARTICLE X: INTERPRETATIONS

Any person or entity subject to this Code may file with the ITF Internal Adjudication Panel a request for an interpretation or clarification of the Code and/or its applicability and effect on a particular event or transaction.

There shall be no obligation for the Review Board to meet in person to deliberate. However, any decision by the Review Board that the Player or other Person has a case to answer must be unanimous.
- v. Where the Review Board concludes that there is no case to answer, then the ITF shall notify the Covered Person and any other party with a right of appeal, and (subject to the rights of appeal) the matter shall not proceed any further.
- vi. When the Review Board determines that a Covered Person has a case to answer, the ITF will send a written notice to the Covered Person (the "Notice of Charge"), with a copy to the Chairman of the Independent Tribunal, setting out:
 - a. the Welfare Offence alleged to have been committed, and a summary of the facts upon which such allegations are based;

- b. the potential consequences applicable if it is determined that the alleged Welfare Offence has been committed; and
- c. the Covered Person's entitlement to respond to the Notice of Charge in one of the following ways:
 - i. to admit the Welfare Offence(s) charged, and accede to the consequences specified in the Notice of Charge;
 - ii. to admit the Welfare Offence(s) charged, but to dispute and/or seek to mitigate the consequences specified in the Notice of Charge, and to have the Independent Tribunal determine the consequences at a hearing; or
 - iii. to deny the Welfare Offence(s) charged, and to have the Independent Tribunal determine the charge and (if the charge is upheld) any consequences, at a hearing;
- d. if the Covered Person wishes to exercise his/her right to a hearing before the Independent Tribunal, he/she must submit a written request for such a hearing so that it is received by the ITF as soon as possible, but in any event within 10 days of the Covered Person's receipt of the Notice. The request must also state how the Covered Person responds to the charge in the Notice and must explain (in summary form) the basis for such response. In the event no such response is received by that deadline, the Covered Person will be deemed to have admitted the Welfare Offence(s) charged, and to have acceded to the consequences specified in the Notice of Charge.
- vii. In the event that the ITF withdraws the Notice of Charge, or the Covered Person admits the Welfare Offence(s) charged and accedes to the consequences specified by the ITF (or is deemed to have done so), a hearing before the Independent Tribunal shall not be required. Instead the ITF shall promptly issue a decision confirming (as applicable) its withdrawal of the Notice of Charge or the commission of the Welfare Offence(s) and the imposition of the specified consequences, and shall send a copy of the decision to the Covered Person.

Provisional Suspension

- viii. At the time, afterwards, or (exceptionally) before it issues a Notice of Charge, the ITF may impose a Provisional Suspension on the Covered Person in question pending determination of the charge(s), where it considers it necessary to protect the integrity and/or reputation of the Competition, the ITF, and/or the sport of tennis.

Where a Provisional Suspension is imposed, the ITF shall notify the Covered Person of his/her right:

- a. at his/her election, to make an application to the Chairman of the Independent Tribunal convened to hear his/her case, either immediately or at any time prior to the full hearing, for an order that the Provisional Suspension should not be imposed (or, if the Provisional Suspension has

been imposed, that it should be vacated). The Chairman of the Independent Tribunal, sitting alone, will rule on the application as soon as reasonably practicable; and

- b. to have the proceedings before the Independent Tribunal expedited so that the hearing is held, and the charge against him/her is determined, as soon as possible, consistent with the requirements of due process.

In circumstances where the ITF decides not to impose a Provisional Suspension, the Covered Person shall be offered the opportunity to accept a voluntary Provisional Suspension pending the resolution of the matter. If the Covered Person wishes to accept the offer (and receive credit against any period of suspension that might be imposed), the Covered Person must communicate such acceptance in writing to the ITF, in a form acceptable to the ITF.

No admission shall be inferred, or other adverse inference drawn, from the decision of a Covered Person (a) not to make an application to avoid (or to vacate) a Provisional Suspension, or (b) to accept a voluntary Provisional Suspension.

- ix. A Covered Person may not, during the period of any Provisional Suspension, play, coach or otherwise participate in any capacity in any tournament, event or circuit owned or sanctioned by the ITF. Any period of Provisional Suspension served by the Covered Person (whether imposed or voluntarily accepted in writing, in a form acceptable to the ITF) shall be credited against any period of suspension imposed by the Independent Tribunal, provided that the Covered Person must have respected the terms of the Provisional Suspension in full. No credit against a period of suspension shall be given for any time period before the effective date of the Provisional Suspension (whether imposed or voluntarily accepted in writing, in a form acceptable to the ITF), regardless of the Covered Person's status or lack of participation during such period. If a period of suspension is served pursuant to a decision that is subsequently appealed, then the Covered Person shall receive a credit for such period of Provisional Suspension served against any period of suspension that may ultimately be imposed on appeal.

Sanction

- x. The Independent Tribunal may impose appropriate sanctions including (a) denial of privileges or exclusion of the person in question from any or all ITF Tournaments, or (b) such other sanctions including monetary sanctions as the Independent Tribunal may deem appropriate.
- xi. A suspension imposed on a Player for a Welfare Offence shall take effect from the later of the following, unless specified otherwise by the Independent Tribunal or the ITF when issuing the suspension:

a) the date of notification by the ITF or Independent Tribunal;

b) if the Player is participating in a Tournament on the date of notification, the day after he or she finishes competing in that Tournament.

xii. Any penalties imposed on a Player or Related Person other than suspension from play shall take effect immediately upon notification.

c. Appeals

i. Decisions of the Independent Tribunal may be appealed to the Court of Arbitration for Sport. The appeal proceedings shall be conducted in accordance with the CAS Code of Sports-related Arbitration, in the English language, and shall be governed by English Law.

d. Miscellaneous

i. Any decision of the ITF Internal Adjudication Panel pursuant to this Welfare Policy may be communicated to those Member National Associations, other tennis organisations and ITF Tournament organisers deemed necessary by the ITF Internal Adjudication Panel.

ii. Notwithstanding, and without prejudice to, the above:

- a. The ITF reserves the right to share information concerning a complaint with and/or conduct an investigation in conjunction with any tennis organisation as specified above;
- b. The ITF may refer the complaint and/or any information received during the course of investigating an allegation or prosecuting a charge to any authorities it considers appropriate; and
- c. The ITF shall have the absolute discretion, where it deems appropriate, to stay its own investigation pending the outcome of investigations being conducted by other tennis organisations as specified above and/or relevant authorities.
